*Dear Adam:*

*I can't say enough about what an amazing party you and your committee threw the other night! At one point, Ada Doch, high school principal, had tears in her eyes. She was so happy to see all of you there - helping her cause with her students.*

*I have the best committee ever, and I hope you will consider joining us again next year. I took notes on some changes that we might make in the future, and I would be interested in your thoughts as well.*

*You can put your head on your pillow at night knowing that you have helped someone to get ahead. Thank you for all of your support and efforts - and most of all - thank you for being a terrific person!*

*Sincerely yours,*

  
Patti
