

Dear Adam,

Thank you for presenting me with the opportunity to work at NBC this summer by putting me in touch with
I had a great time working at weekend Today. Not only did I learn a great deal, but just by being at 30 Rock, I was able to create a network for myself of people in all different departments including Sports and Nightly News. I owe it all to you!
Thanks again for opening the door to one of the most amazing & beneficial experiences I have ever had! I can't wait to tell you all about it & where it leads me in the future.  Courtney
