

Home Owners Tax Guide Now Available on Homes.org

(PRWEB) February 12, 2012

Adam Leitman Bailey, author of the New York Times best-selling book *Finding the Uncommon Deal: A Top New York Lawyer Explains How to Buy a Home for the Lowest Possible Price*, had this advice for home buyers:

"An important factor in choosing one potential home over another will be seeing how the fixed monthly and yearly housing costs of each home fit within your budget. Real estate taxes may change depending on local taxes and policies. So besides learning about the applicable tax, it is essential to learn about the history of any increases or decreases in past years and the stories behind these changes."
