Dear Adam,

Thank you for doing a fabulous job at the [REDACTED] deposition. Although we may not have heard everything that we needed in order to win the case, we definitely learned a lot. Excellent work.

Jamie Friedland did a truly professional job at the deposition. You had left the room while she questioned the respondent. She was superb. She was fully prepared for the deposition, and proceeded to query the respondent in a relaxed and confident manner. Even the respondent's attorney was impressed with her cool professionalism and totally respected her throughout the proceedings. Jamie is an excellent addition to your fine firm and a pleasure to have on my team.

All-in-all, I do think we have a winner in this case. I know the respondent is sympathetic and has asked for a jury trial, but I have a funny feeling that we will navigate this matter to a successful conclusion.

Very Sincerely Yours,
